

LESSON 11

Inductive Study of the Ten Plagues

Exodus 7:14-10:2 & 12:29-36

According to Exodus 12:12 the plagues of Egypt were against all the gods of the Egyptians. God was bringing judgment of the gods and the spirit/demons represented by them. Remember that all the gods of the Egyptians and all idols are demons, not gods. There were over 2,000 gods in Egypt. Some Egyptologist say there were 3,000 gods.

"On that same night I will pass through Egypt and strike down every firstborn--both men and animals--and I will bring judgment on all the gods of Egypt. I am the LORD." – **Exodus 12:12**

As you read through this extended passage I would like for you to be an alert reading looking for certain things that are significant.
